AUGUST
Newsletter

Dear ABI Tenants,

As the August breeze begins coming through, it feels like summers reminder to slow down and make the most of these golden weeks of summer.
It's the season for new ideas, exciting events, and ways to connect. At ABI, we're excited to present an exciting lineup of events this month.
Let's make the most of these final summer weeks together - there is still so much to discover and enjoy!

Mini Miracles Daycare Partnership

Located near ABI-LAB at **6 Strathmore Road**, Mini Miracles Early Education and Childcare Center is now a proud partner of ABI!

ABI tenants are offered exclusive discounts:

- **$100** Registration fee waived,
- **15%** off tuition for the first three months,
- **10%** off for **all future tuitions**!

Click here to to check out Mini Miracles or contact Michelle@abi-lab.com with any questions.

Sai Life Lunch and Learn

On **Thursday August 7th** at **12:00**, **Sai Life Sciences** will come to ABI-LAB to present their biology capabilities, including Biophysics, Cell & Molecular Biology, Immunology, and Immuno-oncology.

Hear from **subject matter experts** to see how their scientific expertise can accelerate your discovery programs and help move you efficiently from bench to clinic.

Scan the Code or **Click Here** to register and enter for a chance to win a **gift card**!

ABI Blood Drive - American Red Cross

On **Wednesday August 13th** from **11:00-4:00** in the **ABI-2** lobby, ABI will be hosting our semi-annual **blood drive** with a team of professionals from the **American Red Cross**, open to all ABI-LAB tenants.

Professionals will be on-site to make sure the process goes smooth, and **snacks and drinks** will be provided to all donors!

Check for an email from Michelle@abi-lab.com on July 31st for more information on the blood drive.

Click here to register for the event!

Thermo Fisher Webinar

You're invited to an **exclusive live demo** showcasing the capabilities of Thermo Fisher's Varioskan™ and Multiskan™ plate readers on **Wednesday August 13**.

The webinar will include a quick overview of the Varioskan™ and Multiskan™ plate reader systems and a live demo of the SkanIt™ Software. See how Thermo can suite your fluorescence needs!

Thermo Fisher - Innovation Event

X

INNOVATION LAB

On **Thursday August 28th**, a group of Thermo Fisher **Specialists** will stop by the ABI Innovation Lab to give detailed overviews of their equipment.

Each specialist will be stationed by their equipment, ready to share its capabilities and how it can **enhance your research**—think of it as a Science Fair! Plus, after the event, **food trucks** will be stationed outside for all the **tenants to enjoy**!

Come walk through and become an expert in the instruments you have at your fingertips! **More information soon!**

ABI LAB
Life Science Campus

Attune Office Hours

ThermoFisher offers **Attune Office Hours** in the Innovation Lab on the last Tuesday of every month.

For any questions or to sign up, contact **Victoria Allen** (Victoria.allen@thermofisher.com). They are happy to advise you on your experiments, troubleshoot any issues, and offer **comprehensive training**.

Click here for more information!

SciSure - a bold and deliberate merger

SciSure is the result of a bold, deliberate merger between two established names in digital lab technology: **eLabNext and SciShield**

By combining their offerings, they have become the first **Scientific Management Platform (SMP)**: a true home base for the modern lab.

SciSure unites the needs of Scientists, EHS, and LabOps professionals in one connected solution, delivering a **seamless experience** for safe, efficient, and reproducible scientific advancement.
