SEPTEMBER
Newsletter

Dear ABI Tenants,

As we settle into September, the shift towards fall brings in a fresh energy - with cooler mornings, changing leaves, and a renewed sense of momentum. It's a season of new beginnings, connections, and opportunities. At ABI, we're excited to carry that energy forward with a lineup of amazing events that will help bring our community together.

Event Schedule

Monday	Tuesday	Wednesday	Thursday	Friday

MWLSN Brew your Network

On **Wednesday, September 3rd**, the Metrowest Life Sciences Network is hosting a coffee connections event from **8:00 - 9:30 AM** at **100 Pennsylvania Ave in Framingham**.

Whether you're expanding your professional circle, exploring career opportunities, or simply enjoying great conversation, this relaxed gathering is the perfect place to connect with peers in the local life sciences community.

Register at https://www.mwlifesciencesnetwork.org/brew-your-network

MilliporeSigma Lunch & Lean

Join us on **Tuesday, September 9th at 12 pm** for a Lunch & Learn hosted by MilliporeSigma, a global leader in various life science products and service solutions.

This is a great chance to hear more about the exciting work they're doing here, ask questions, and connect with ***a fellow ABI tenant!***

Come support your neighbors and enjoy some lunch!

Dotmatics Lunch & Learn

Join us on **Wednesday, September 10th at 12 pm** for a Lunch & Learn hosted by Dotmatics, a leading provider of innovative R&D software connecting science, data, and decision-making.

This session is a great chance to hear more about their work, discover tools to help your science, and connect with others.

Don't miss this opportunity to learn, ask questions, and enjoy lunch with your community!

MassBio Innovation Unleashed
with Thermo Fisher

On **Thursday, September 11th**, MassBio is hosting a full day of scientist-to-scientist talks with Thermo Fisher experts at the ***MassBio Hub in Cambridge*** from **10am - 3pm**. This event will feature cutting-edge scientific insights and attendees are welcome to drop in for one session or stay for multiple.

Email **irene.saulnier@thermofisher.com** with any questions.

Polsinelli Lunch & Learn

On **Tuesday, September 16th at 12 pm**, Polsinelli Law Firm will be hosting a Lunch & Learn!

This is a great opportunity to connect with a nationally recognized firm in the life sciences space, hear about their work, and learn how their expertise could benefit growing biotech companies.

Come by to enjoy lunch and make valuable connections!

QuantStudio Lunch & Learn

On **Tuesday, September 23rd at 12 pm**, ThemoFisher will be hosting a Lunch & Learn to give hands-on insights into the QuantStudio system.

Their team will walk through how to use the instrument, explore its software, and answer any questions.

This is a great chance to learn directly from experts and get the most out of our Innovation Lab equipment.

Sword Bio: Breakfast and Biomarkers with Bindh Desilva

On **Wednesday, September 24th**, Sword Bio will be hosting Breakfast & Biomarkers at **9:30 AM** to talk about clinical biomarker strategy development.
Join us for a morning of insightful discussions and networking opportunities. Learn more from industry expert Binodh DeSilva about the latest trends in biomarkers in rare diseases.

Scan the QR code or click here to register!

Attune Office Hours

ThermoFisher offers Attune Office Hours in the Innovation Lab on **the last Tuesday of every month from 11am - 3pm.**

For any questions or to sign up, contact Victoria Allen (Victoria.allen@thermofisher.com). They are happy to advise you on your experiments, troubleshoot any issues, and offer comprehensive training.
